(2021/12/01)

New features

We added a lot of new features.

Newsletter

Now you can subscribe to our newsletter with your e-mail only!

New menu design

We made it better!

Home Page

Home page design updated.

Jobs tab

Join the Komta Crew in a few minutes.

About Us

We added a picture of our family. At least of the Komta Family.
And you can find our biggest inspirations as well.

Data retention and security

We consider the security of our users and team members, which is why we have created a detailed article on data retention and security.

Komta Creatives

Active Instagram Pages

On @komtacreatives IG we'll repost cool designs, photo manipulations and we'll promote other talents.

After we posted some cool tips to

@komta_tips IG, we're going to write a blog that you can read here:
